- Pin Gauges and Sets
- UKAS and Conformity Certificates on request
- Screw Gauges
- Gap and Step Gauges
- Gauge sets
- Indicating Plug Gauges

## SPECIALS

Sometimes the best tool for the job doesn't exist yet. We have an enviable reputation for not only producing high quality 'specials', but doing so on time and at a reasonable cost.

Use the form below to send us your drawing, sketch or CAD file of the tool you need (or a component drawing) and let us quote you. Or call us to discuss your requirements on **0118 973 1212**.

## REGRINDS

GET THE MOST OUT OF YOUR TOOLS

Reclaim damaged or worn out tools through our regrinding service. We offer a full tool refurbishment and repair service for HSS / CARBIDE:

- Endmills / Reamers / Rippers / Drills / Saws / Taps
- Special form regrinds with full CNC regrind service
- On-site carbide burr regrind service
- Local collection/delivery or courier service for conventional CNC regrinding
- Re-coating available
- Geometry modifications

Don't buy new if you don't have to – get the most out of your tools, get them reground.
